

OPEN SEASON ON SATURDAY

Italian A. C. Will Play Spaulding High School

FINE SEASON EXPECTED

Last Year's Team Is Practically Ready and There Are Several Promising Candidates—The Schedule.

Thibault Gabeloni, manager of the Italian Athletic club ball team, has announced the team schedule for the season. The season will be started next Saturday, when the Italians will meet the Spaulding high school team. The Italians made a good record last year, and as most of the old players are ready for business this year, the outlook is bright for a successful season. In addition to last season's players, F. Calcinai, H. Colombo, F. Prifidini and M. Soldini will try out for the team.

The following schedule has been arranged with school teams:

April 17, Spaulding at Barre.
April 20, Goddard at Barre.
April 27, Spaulding at Barre.
May 7, Vergennes H. S. at Barre.
May 12, Goddard at Barre.
May 14, U. V. M. 2d at Barre.
May 14, Montpelier H. S. at Barre.
May 18, Montpelier seminary at Barre.
May 19, Goddard at Barre.
May 25, Montpelier seminary at Montpelier.

May 26, Goddard at Barre.
May 31, p. m., Hardwick at Hardwick.
May 31, p. m., People's academy at Montpelier.

June 2, Goddard at Barre.
June 11, Montpelier H. S. at Montpelier.
June 12, People's academy at Barre.

This is as far as the schedule has been arranged and these games will all come before the close of the school season, but it is expected that games will be arranged later with some of the strong town teams throughout the state. Among the teams which will probably cross bats with the Italians during the season are the Grantville A. C. team, Burlington Independents, Hardwick, Morrisville, Jeffersonville, Woodstock, Swanton and others.

The make-up of the team will probably be about the same as that of last season in the infield. Scamplini and Gabeloni will officiate on the mound. David and Soldini, a new man, behind the bat; Calcinai, Malherini, Rossi, Gabeloni, Brognoli and Colla in the infield. In the outfield McGraw and Colombo will be back and the new men mentioned will try out.

The fence around the grounds is being repaired and the grounds put into condition for playing. The club also expects to begin at once the erection of a stand that will seat from two to three hundred people. Another looking for improvement which Manager Gabeloni is considering will be brought about is the beginning of games at the time they are scheduled to start.

OF INCENDIARY ORIGIN.

Lenox Fire May Have Been Set By Burglar.

Lenox, Mass., April 14.—A theory that the Clifford block, where the fatal fire of last Sunday started, may have been set on fire to cover the tracks of burglars who had rifled the Klipp Jewelry store on the ground floor, was advanced yesterday and an investigation along that line was begun by State Officer Thomas E. Bleigh and State Fire Marshal James Anderson.

The principal basis for the theory lies in the fact that a woman, or a man disguised as a woman, carrying a heavy bundle and a bundle was met by the firemen from Lee on their way to this town to assist in fighting the flames.

This individual was met at a point about two miles from Lenox, about three quarters of an hour after the fire was discovered, and when asked by the firemen where the fire was, replied that it was in the Klipp building. The Klipp building, which was one of those destroyed, adjoined the Clifford block.

The authorities are making every effort to find some further trace of this mysterious individual. The workers in the ruins yesterday bent their energies toward dislodging the Klipp safe from the debris, in order to determine whether it was rifled before the fire.

A high bone was found today near the spot where the engagement ring of Miss Mary E. Shanks was discovered yesterday and it is believed that the ring belonged to her only was entirely consumed. The bodies of the three members of the Ventres family were sent to Paris, Mo., today.

The message conveyed the information that all on board were well and happy.

The Best Spring Medicine

It is as easy to prove that Hood's Sarsaparilla is the best spring medicine as it is to say it.

Spring ailments are blood ailments—that is, they arise from an impure impoverished, drowsy condition of the blood; and Hood's Sarsaparilla purifies, enriches and revitalizes the blood as no other medicine does.

It is the most effective of all blood medicines.

There is a solid foundation for this claim, in the more than 40,000 testimonials of radical and permanent cures by this medicine, received in two years, this record being unparalleled in medical history.

DRIVING CLUB FORMED.

Half-mile Track Will Be Laid Out in Burlington.

Burlington, April 14.—A gentleman's driving club has been formed in the city by gentlemen interested in fast horses. The club is to be incorporated and stock will be sold. The track, which is to be built directly, will be used for exercising and training and probably weekly races will be held during the latter part of the summer. No prizes or purses will be offered for any of the events and the track will be for the use of members of the club only.

Officers were elected as follows: president, G. E. Whitney; vice-president, J. R. Lockwood; secretary, E. F. Brownell; treasurer, F. R. Miles; directors, H. A. Brigham, J. R. Lockwood, James Cushman, J. B. Lavalley of Winslow, H. R. Thomas. The president of the club is also a director.

A locating committee, composed of G. E. Whitney, James Cushman, J. R. Lavalley and H. R. Thomas, visited the Walker farm on the Intervale recently, owned by G. R. Brown, and occupied by F. R. Calkins. The committee made terms for a five years' lease with the privilege of ten years. The tracks will be a half mile one and will be enclosed with a rail fence. The site selected is on that part of Intervale where the river does not flood.

E. A. Ashland and E. F. Brownell have been appointed a committee to draft rules and constitution of the club. An adjourned meeting of the club will be held on Thursday evening at the Hotel Burlington.

The club will fill a long felt want among local horsemen and its organization gives them pleasurable anticipations for the summer months.

SPLIT AMONG SOCIALISTS.

Hardie and Others of British Party Resign at Edinburgh.

Edinburgh, April 14.—The recent factional brawls in the ranks of the independent labor party, which have militated seriously against the usefulness of the party in the House of Commons, came to a climax at yesterday's session of the annual congress of the organization when James Keir Hardie, Philip Snowden, Ramsey MacDonald and Bruce Glasier resigned their seats as members of the national administrative council.

The immediate cause of the trouble was the adoption by the congress of what amounted for a vote of confidence in Victor Grayson, between whom and Mr. Hardie there has been a feud of long standing. The resignation made a sensation in the congress.

Should this split in the labor party continue it will relieve the Liberal government of much pressure in the direction of socialist legislation.

ICE PACK BEGINS TO BREAK.

Conditions at Niagara Falls Are Improving.

Niagara Falls, N. Y., April 14.—The ice pack still chokes the gorge, but there is evidence here and there along the channel that it is beginning to break. Monday was warm and there was no wind. About the cataract the water has fallen some ten feet. At the whirlpool the ice is beginning to break away and along the mouth of the river. The Ontario Power company's officials report that the generating station is free of water and that the machines will be started at once. Syracuse and the other cities which take their supply of electricity from the Niagara, Lockport & Ontario Power company, are being supplied by the Electrical Development company.

TO WED A JAPANESE.

Engagement of Miss Goodman, an American Mission Worker.

Los Angeles, Cal., April 14.—The engagement is announced of Miss Kate Goodman, an American mission worker among Japanese women and children in and around this city, and the Rev. Joseph Kimbuchi Inazawa, pastor of the Japanese Presbyterian mission. Inazawa is well educated and Americanized. For more than 20 years he has been engaged in missionary work on the Pacific coast, with headquarters at San Francisco.

Miss Goodman for many years has been a worker among the Japanese, and has studied their language with the intention of going to Japan as a missionary. She is well educated and highly connected. Each is about 45 years old.

CRAZY SNAKE PERHAPS DEAD.

No Word From Men Who Have Been Hunting Indian Leader.

Muskogee, Okla., April 14.—There is a rumor here that Crazy Snake, chief of the Creek Indians, who has been sought by the state militia for the past two weeks, is dead, but it cannot be verified. The government has representatives in the field searching for the Indian leader, but has received no word from them.

SOME LUCK, MORE PLAYING

Boston Red Sox Turned Tables on Athletics

BY SCORE OF FOUR TO TWO

Check Pitched a Good Game and Had the Home Team Shut Out Up to the Last Inning of the Game.

Philadelphia, April 14.—The Boston Red Sox came back at the Athletics yesterday afternoon and won by the score of 4 to 2, due partly to luck, to bumbles by the home team and to consistent pitching by Check, Coombs also pitched well for Philadelphia, but was unfortunate in his support. The visitors tied up the game in the third inning, when they tallied three runs.

After Collins had made a spectacular catch of Spencer's fly and Check had struck out, McConnell rapped a hot one at Hartnell which bounced over the fielder's head, and went for three bases. Lord's safe drive to right tallied McConnell and Lord stole second. Speaker's grounder was fumbled by Melrose and Speaker stole second. Davis made an error on Gessler's rap and Lord and Speaker scored. Coombs threw Niles out.

There was no more scoring until the ninth inning, Boston leading off with a single tally on Spencer's single, Hartnell's fumble putting him on third, and McConnell's single bringing him home.

The Athletics looked dangerous for a time. Davis opened with a double and McConnell threw Strunk out. Melrose died, Lord to Danzig, sending Davis across the plate. Lapp singled and Coombs beat out a hit. Hartnell's single scored Lapp, and on Nicholson's grounder to McConnell the solder tagged Hartnell and closed the batting rally. Up to that point, Check had pitched a very effective game.

NATIONAL LEAGUE

OPENS THIS AFTERNOON

The Prime Question Is, Can the Chicago Cubs Repeat and Win the Pennant?

New York, April 14.—Can the Chicago Cubs "come on" again?

This is the paramount question in the National league, whose thirty-ninth season opens this afternoon. It is paramount, for the reason that if the Cubs do win it will be their fourth consecutive pennant and the equaling of a record that has stood since 1875, when the old Boston club, under Harry Wright, won its fourth straight championship.

Five times when a team has managed to crowd three pennants in a row, should Frank Chance break the seeming limit and breast the tape ahead of the others this year, he will be given credit for achieving the greatest feat ever accomplished in base ball, for the national game now, compared with the time when Boston made its record, is a different proposition and one that demands far more cunning and executive ability.

Chicago had such a terrific struggle to nose out the New York Giants last year, being saved through the new historical blunder of substitute first baseman Fred Marble, who failed to win a game against the Cubs by forgetting to touch second base after a hit had scored what should have been the winning run, that thousands of fans are brave enough to hope that this year Chicago's great man will slip a cog and come a cropper.

As a stand-patter, Manager Captain Chance is the equal of Speaker Cannon, and if he had his way the Cubs would start the race with the same line-up as that which brought final victory to them last year. Two faces, however, will be missing and they are two of the brightest prizes in the base ball lottery, Johnny Evers and Johnny Kling. Evers has been given permission to continue with his Troy shoe store until June 1.

THE FATNESS OF HEALTH

Samose Fills Out The Curves and Makes Thin People Fat.

If you are thin, your health is not what it should be. If you are losing weight steadily, there is something wrong that should be attended to at once. You cannot be healthy and strong if you are thin.

Perfect health and good, solid beautiful flesh can only come through the use of Samose, the remarkable flesh-forming food.

This makes the thin and scrawny plump and robust; it mixes with the food so that all of the elements that make solid bone, firm muscles and good flesh are thoroughly assimilated and retained in the system.

Samose is not a drug or a stimulant; it is a scientific flesh-forming food that restores this people to a normal condition of good healthy flesh.

There are thousands of unhappy, nervous thin people who would look and feel entirely different if they were only fat and plump. Let them use Samose and they will soon notice remarkable results.

These statements are confirmed by D. F. Davis.

INTERESTING FACTS

Rickett & Wells Offer to Cure Cataract. The Medicine Costs Nothing if They Fail.

When a medicine effects a cure in 98 per cent. of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not cure cataract, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people of Barre to substantiate. We want them to try Rickett & Wells' medicine prepared from a prescription of a physician whose specialty was cataract, and who has a record of thirty years of cures to his credit.

We sell more bottles and receive more good reports about Rickett & Wells' medicine than we do of all other cataract remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rickett & Wells' medicine is, it would be the only cataract medicine we would have any demand for.

Rickett & Wells' medicine is quickly absorbed and carried by the blood until it thoroughly disinfects and cleanses the entire mucous membrane, destroys and removes the parasites which injure and destroy the membranous tissues, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissue, relieves the blood and system of diseased matter, stimulates the mucous cells, aids digestion and improves nutrition until the whole body vibrates with healthy activity. In a comparatively short time there is a most noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Rickett & Wells' medicine a treatment to-day. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rickett & Wells' medicine in two sizes, 50c and \$1.00. Rickett & Wells, The Red Cross Pharmacy, Miles granite block.

and Kling has passed up a reported salary of \$10,000 to attend to his Kansas City pool room.

With these two Johnnies not "on the spot," the Cubs will be handicapped, but the Chicago bunch are fighters, as a quarter of a million New York fans know to their sorrow, and no one around these parts is as yet wearying of the Cubs.

Unless prognostications receive a black eye, the same four teams that have lately got the habit of occupying the upper berth in the National league will again hold this division. The only team that the dopsters concede to have a chance to crowd out either Chicago, New York, Pittsburgh or Philadelphia, is Cincinnati. Early season reports show that Manager Clark Griffith, the new Red Leg pilot, has got together a lively bunch of youngsters and at the same time has enough seasoned material on hand to lend ball to his craft. If it were not for the fact that "blowing up" is a favorite failing of the Reds, the team would be taken much more seriously.
